Actuvirtual Symposium at the
Johannesburg Institute for Advanced Study

Feminist Struggles/Voices in the World

In this Actuvirtual Symposium (in person and online) we gather together to discuss three recent books: *Guerrillas and Combative Mothers: Women and the Armed Struggle in South Africa* (UKZNP 2023) by Prof. Siphokazi Magadla; *Textures of Terror ~ The Murder of Claudina Isabel Velasquez and Her Father's Quest for Justice* (UCP 2023) by Prof. Victoria Sanford; and *Changing the Subject: Feminist and Queer Politics in Neoliberal India* (DUP, 2022), by Prof. Srila Roy. The authors will be at JIAS in person to present their respective books, covering histories of political violence against women, women's resistance against imperial violence, women's participation in the Pan Africanist Congress and the African National Congress, forced displacement, endless pursuit of justice, depoliticisation of struggles for women's rights and freedoms, and the shifting terrain of gender and sexual politics worldwide.
