

JIAS

The Johannesburg Institute for Advanced Study cordially invites you to

Sounding Place and Self

This discussion panel draws together a group of creative and scholarly thinkers to explore how place and personal identity are co-constituted through the way humans sound themselves. The panellists consider how speaking, sounding voices are represented in a range of literary examples and formats, and how these representations reflect sounding as a self and place-making practice.

DATE ▪ **8 July 2021**

TIME ▪ **17:00-19:00 (SAST)**

Online via Zoom

RSVP on <https://forms.gle/8YdiiJLygmrDBfR26> to receive the Zoom details.
